

SPSS Statistics: Download & Installation for Windows (Students)

This article covers how CSUF students can download, install, and activate SPSS Statistics

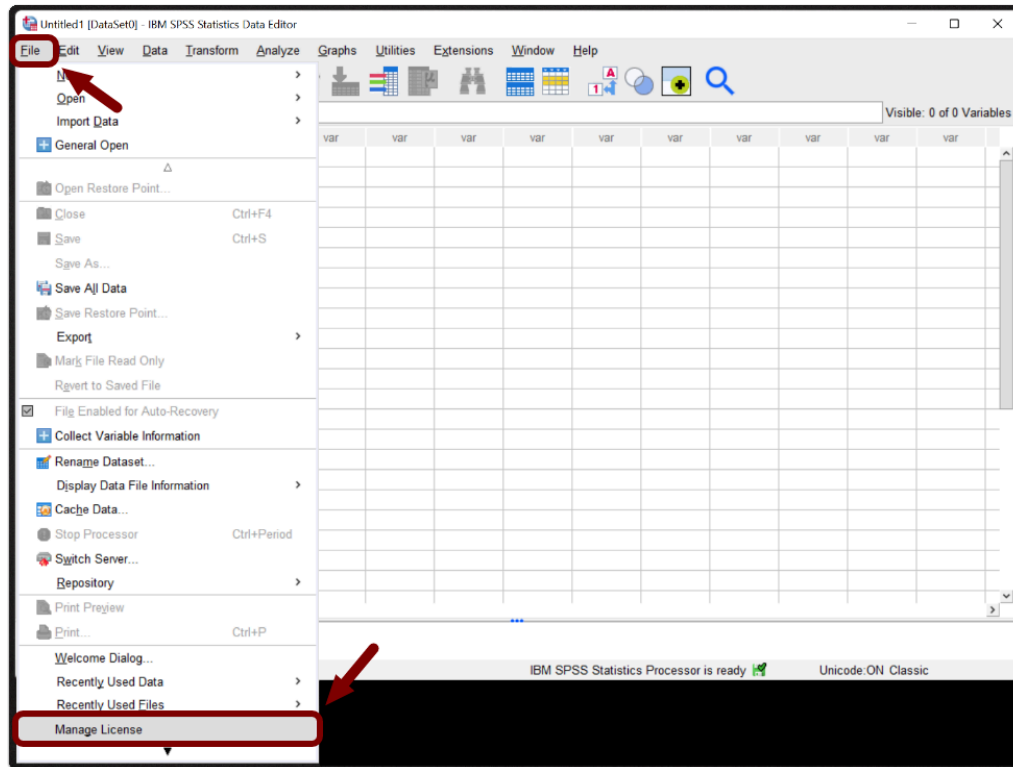

Renewing SPSS Statistics with a new Authorization Code

 If you have an older version of SPSS Statistics installed, proceed to [Remove Older Versions of SPSS Statistics](#).

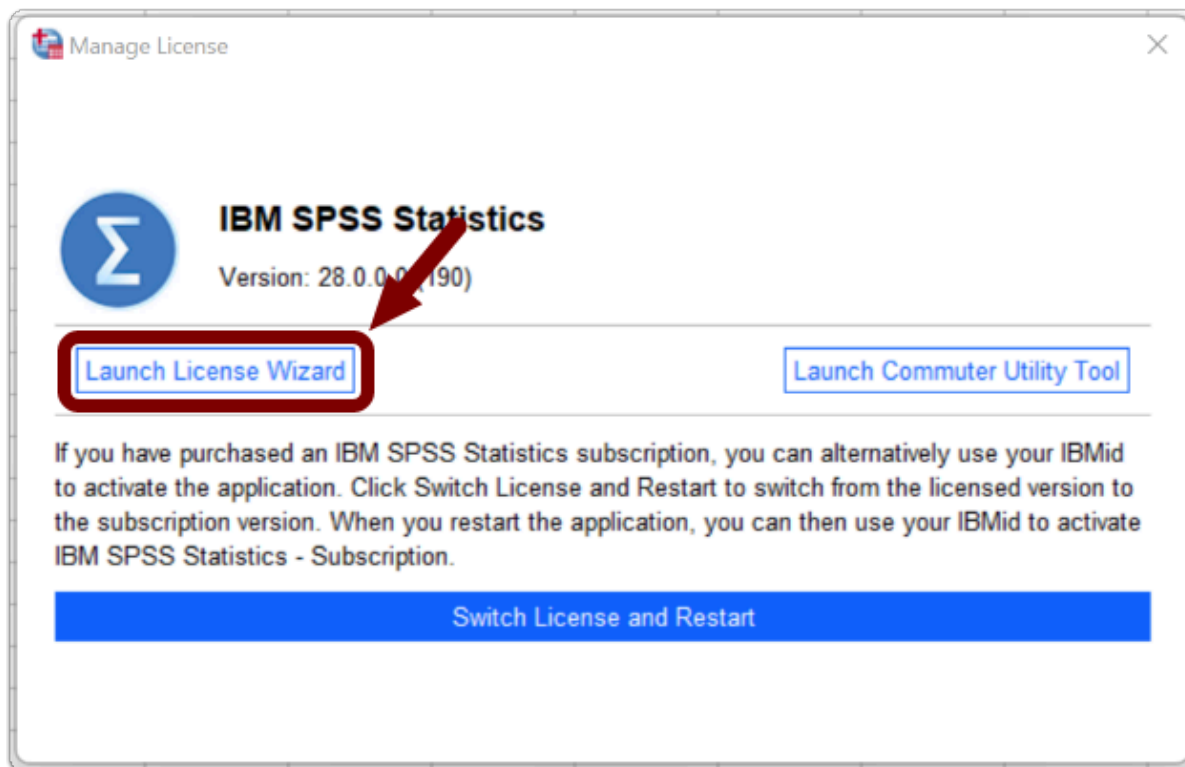

If you do not have SPSS installed, proceed to [Get the Activation Code](#).

If you have the current version of SPSS Statistics on your device but the software is expired you need to activate it again.

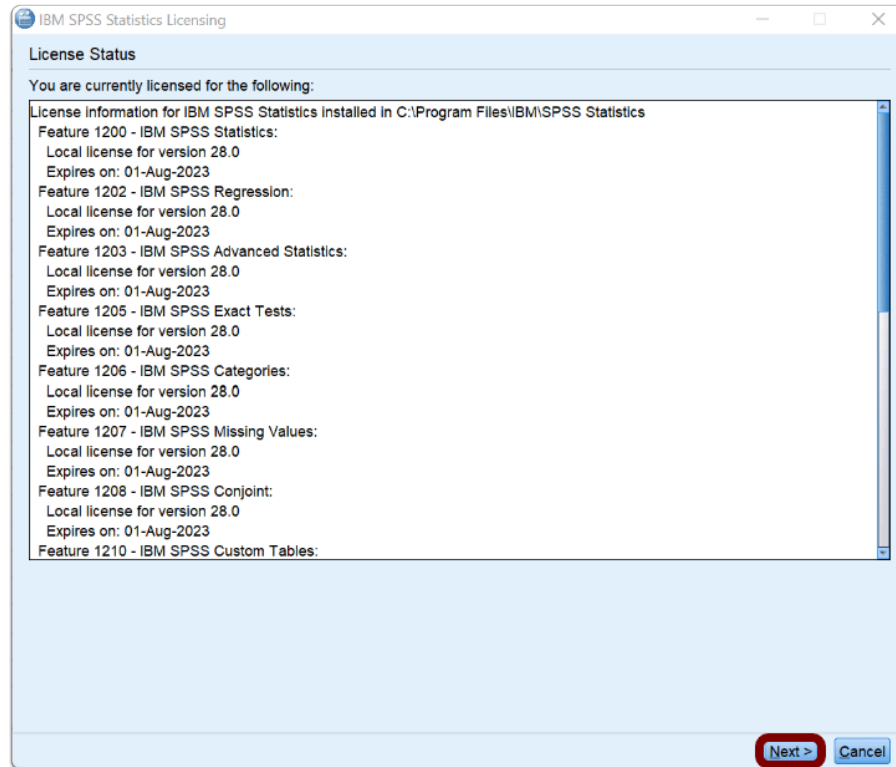

1. Open SPSS, Select File, Select "Manage Licence"

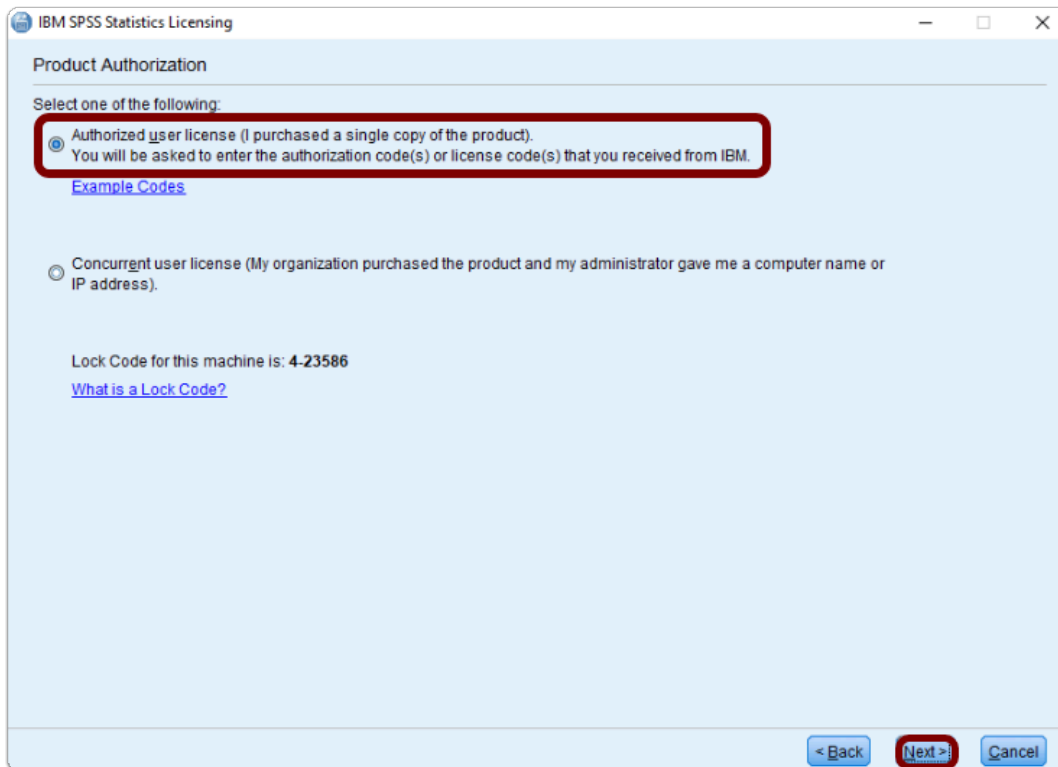

2. Select Launch License Wizard

3. Click Next

4. Select "Authorized user license", then click Next

5. Enter the new Authorization Code you obtained, click Add, then click Next

IBM SPSS Statistics Licensing

Enter Codes

Enter your authorization code(s) here to license your product. If you have already contacted IBM via email or phone, please enter the license code(s) you received from IBM.

[Licensing Overview](#)

[Sample Codes](#)

Enter Code:
TTTN487GF843F34B89349BF3BF943F

Add

Remove Code

The authorization code(s) will be electronically sent to IBM.

[Proxy Server Settings](#)

< Back Next > Cancel

6. Click Next once the Authorization succeeded, then click Finished.

SPSS Statistics is now Reactivated

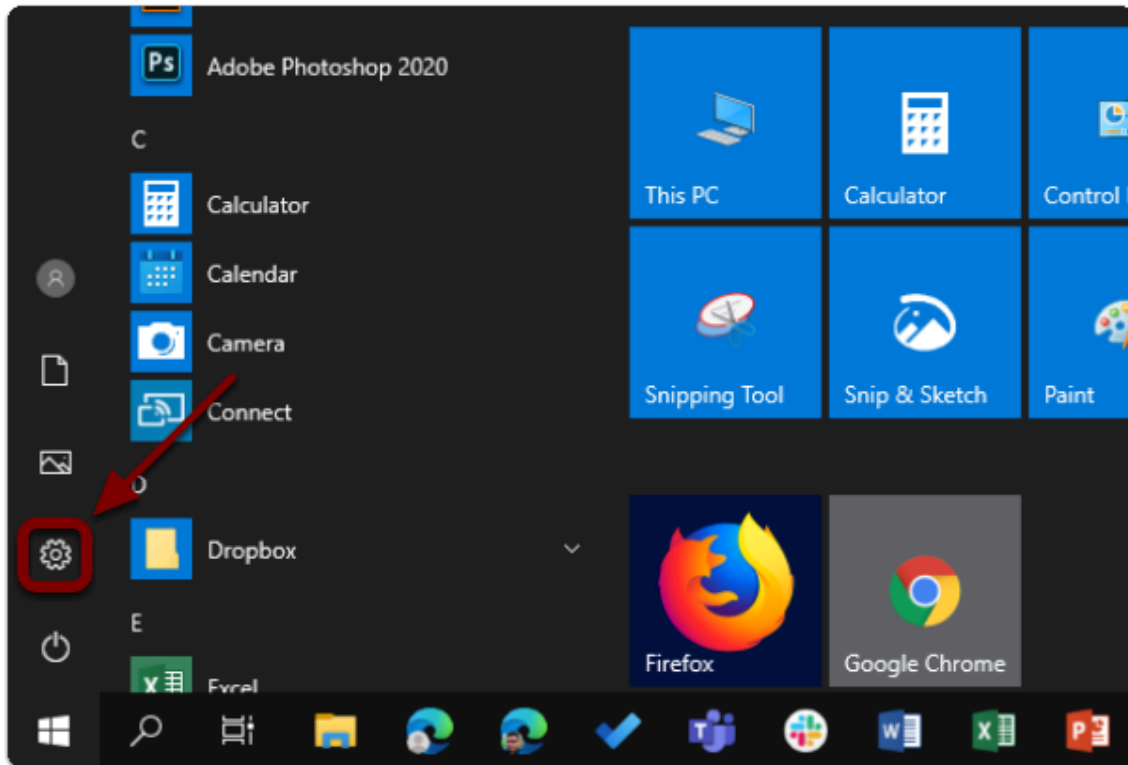

Remove Older Versions of SPSS Statistics

-  If you do not have a previous version of SPSS Statistics installed, proceed to [Get the Activation Code](#).

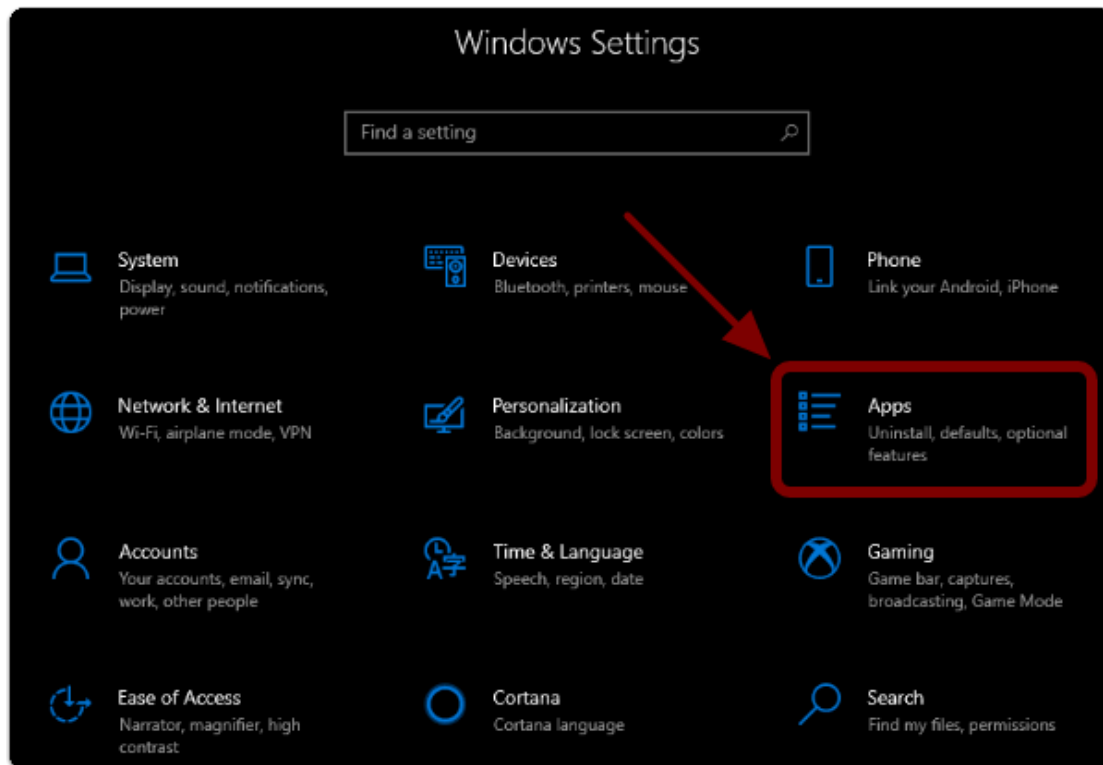

If you have an older version of SPSS Statistics on your device you need to remove it before installing the newer version.

This will prevent potential compatibility issues among multiple versions.

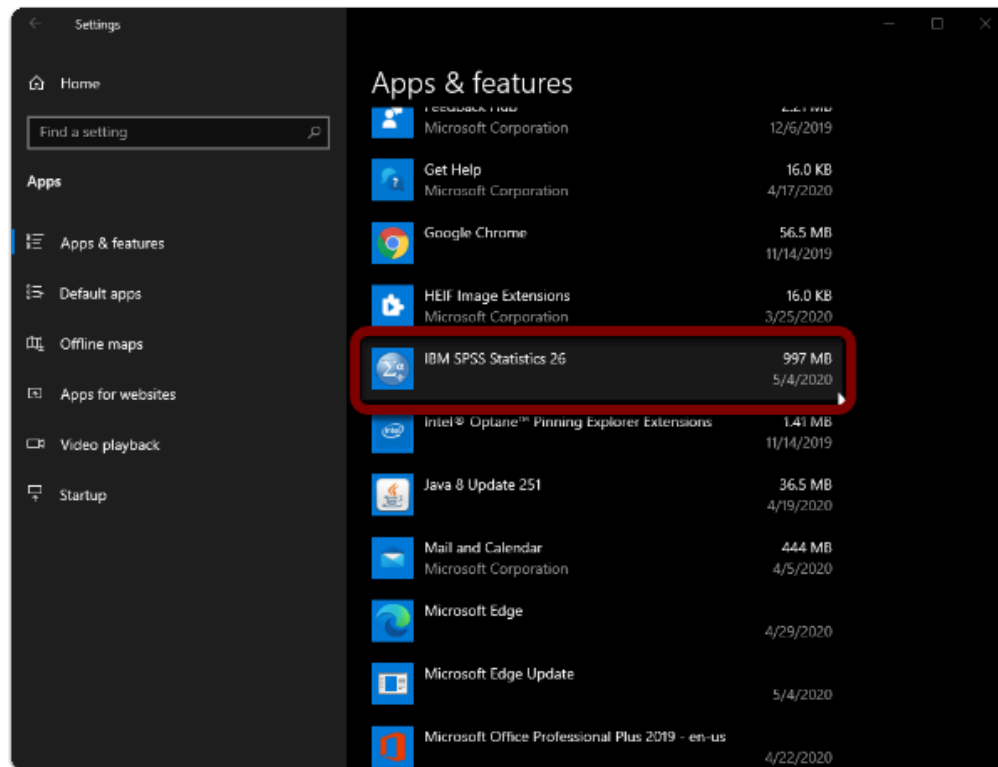

1. Open the Settings

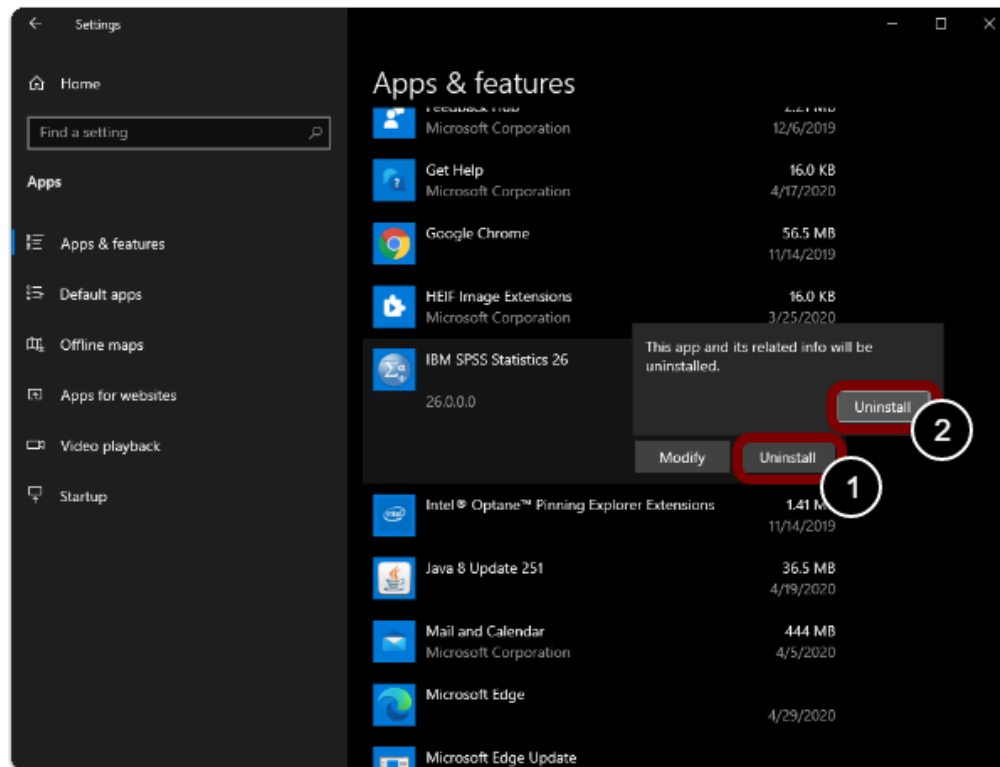

2. Click on Apps

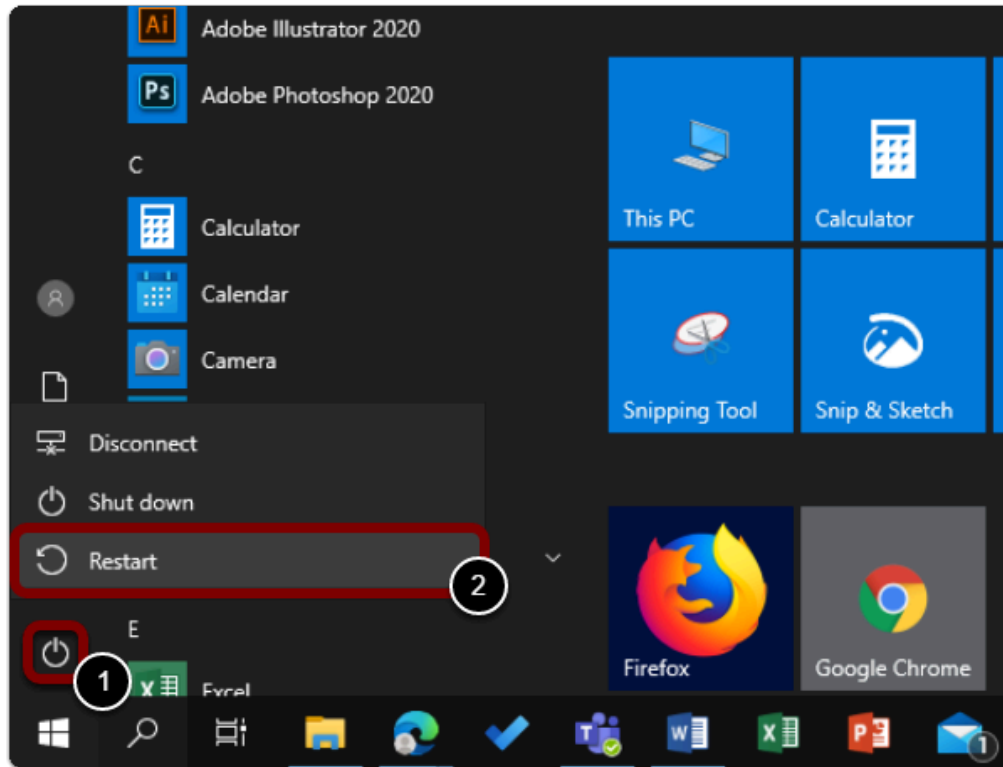

3. Select IBM SPSS Statistics from the list

4. Click Uninstall twice

5. Restart your computer

Warning: You will need to restart your computer to complete the uninstall process.

Step 1: Get the Activation Code

1. Open your browser to the IBM SPSS Software Page and click "Get A Personal IBM SPSS License"

- a. Go to the [IBM SPSS Software Page](#)
- b. Click on "Get A Personal IBM SPSS License"

IBM SPSS

Each enrolled CSUF student is entitled to **ONE** license for **AT HOME USE**. IBM SPSS can be installed on a maximum of two computers.

You can get a **FREE** personal license through the CSUF e-licensing store and download and install IBM SPSS your own computer. All personal licenses will expire on July 31st 2020.

IBM SPSS Software titles available:

- **IBM SPSS Statistics** (Used for statistical analysis)
- **IBM SPSS Amos** (Optional add-on for SPSS Statistics, designed primarily for structural equation modeling, path analysis, and covariance structure modeling)

STEP 1:

GET A PERSONAL IBM SPSS LICENSE

STEP 2:

DOWNLOAD IBM SPSS*

***Note:** You are downloading the trial version that needs to be activated with the Authorization Code received in the previous step.

2. Login using your CSUF Portal Username & Password
