

How to Upload Titers to your Health Portal

Newly Admitted Students - You will gain access to the Titan Health Portal **48 hours** after accepting enrollment and paying any required **fees**.

Helpful links:

- [More information from the Office of Admissions](#)

Immunization Requirements:

All incoming students starting Fall 2022 are required to comply with Cal State University Systemwide Executive Order 803, including the following immunizations and Tuberculosis assessment:

- Measles, Mumps, and Rubella (MMR)
- Hepatitis B (Hep B)
- Varicella (Chickenpox)
- Tetanus-Diphtheria-Pertussis (Tdap)
- Meningococcal Disease (Serogroups A, C, Y, W-135)
- Tuberculosis Screening/Risk Assessment (TB)
- COVID-19 Vaccine Series & Booster

Public Health Records:

Student Wellness accesses immunization data from the **California Immunization Registry** (CAIR).

- Students who received the above immunizations **in the state of California** can verify their vaccination records through the Titan Health Portal and will likely NOT need to upload vaccination records.
- Students who received any of the above immunizations **outside of the state of California** will be required to manually upload their vaccination records into the Titan Health Portal.

*(Please do not submit immunizations that already show **Compliant** in the Titan Health Portal.)*

Exemptions:

The CSU's Immunization requirements provide provisions for exemptions. [Use this link for directions to download and upload your Exemption Form.](#)
