

Sharing Content in Interactive Tech Classrooms Quick Start Guide

This article covers the basic steps to sharing content in an Interactive Tech Classroom on campus.

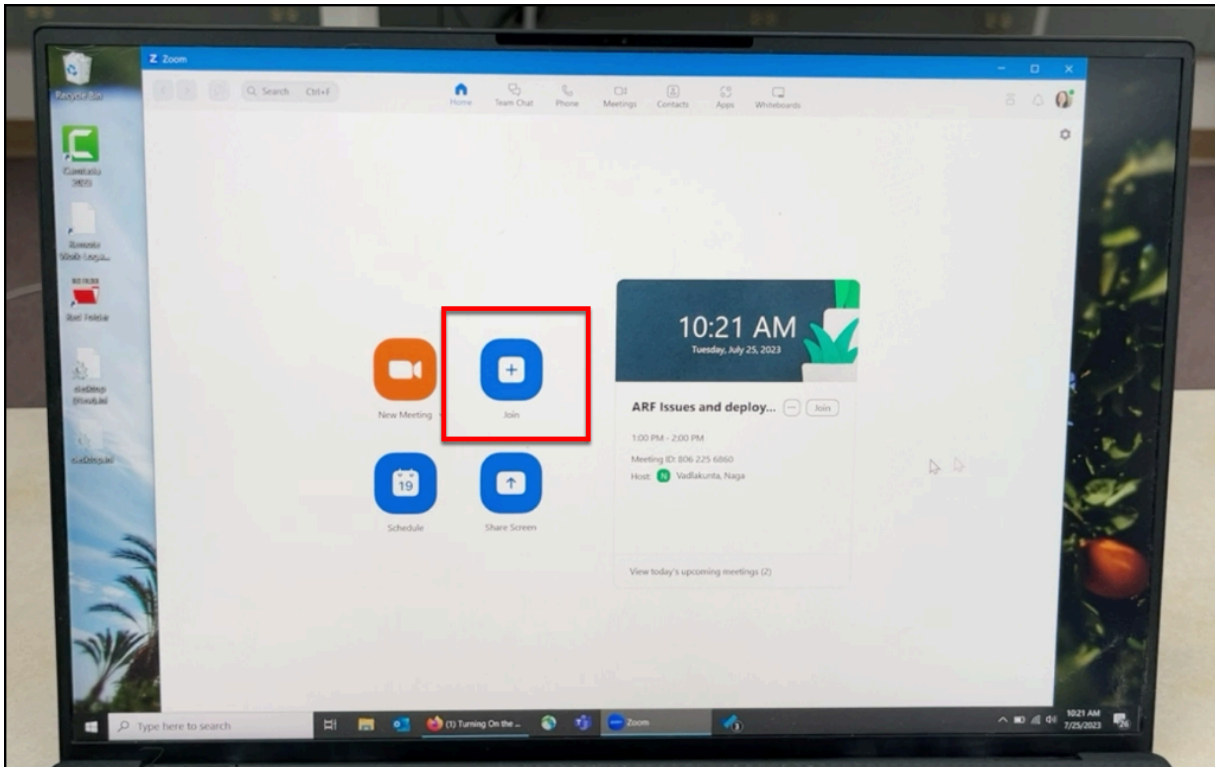

1. Bring your laptop to the classroom.
2. Tap Share Content on the classroom control panel.

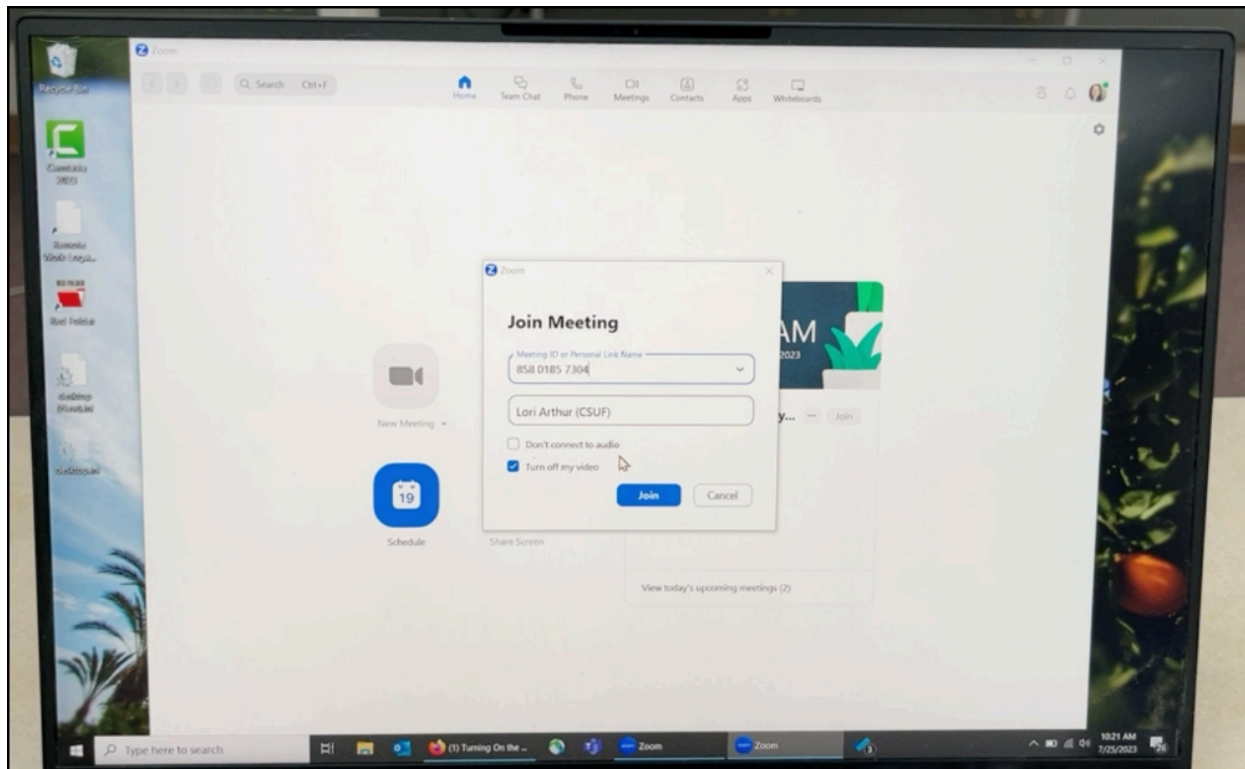

3. Make a note of the Meeting ID.

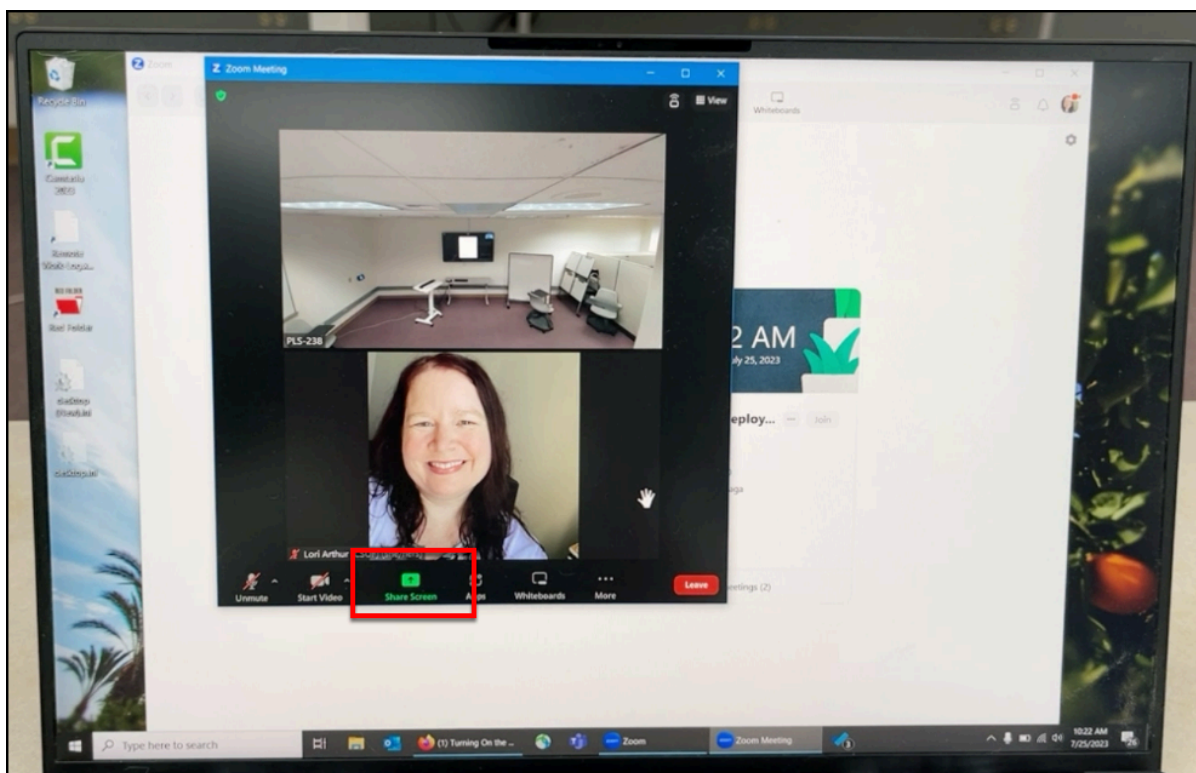

4. On your laptop, open Zoom and click Join.

5. Enter the Meeting ID and click Join.

6. You can now click Share Screen to share content from your laptop.
