How Do I Connect to the Campus Wireless Network?

This article contains a link to the campus wireless website where CSUF faculty, staff, and students can connect to eduroam, the campus wireless network, and find user guides and tutorials on connecting devices.

Campus Wireless Website

> 💡 Campus users should enter their full CSUF email address as the username when connecting to eduroam (e.g., ttitan@fullerton.edu or tuffy.titan@csu.fullerton.edu).

Visit the CSUF Wireless website and select **eduroam** to get started!

Guests can select **Guest Users** to connect to the campus wireless.

Need More Help?

> ℹ️ Students in campus Housing should view Connecting Your Multimedia Device to CSUF-Multimedia for instructions on connecting their devices to the campus wireless.

View user guides and web tutorials on the CSUF Wireless website.
